Gordon Law was saved when he was studying International Business at a university in Hong Kong. He has been connected with Chosen People Ministries since 1999. In the year 2000, he went to study for a Jewish studies program at the Moody Bible Institute. At that time, he was a student missionary with CPM and he reached out to the Jewish people in Chicago. After Gordon finished the Jewish studies program, he continued to study for a M.Div. degree. In 2003, Gordon graduated with a M.Div. in Moody Theological Seminary. He continued his studies to obtain a Th.M. degree (major in New Testament and Missions) at Trinity International University at Chicago and finished the program in 2004.

In 2005, Gordon went back to Hong Kong to serve as a pastor for two years. Later, he was invited to serve in a missions organization called the Hong Kong Association of Christian Missions as the Director of Education and Mobilization. In 2009, Gordon and his family moved to

Israel and has since served with Chosen People Ministries. Because of a visa problem, his family returned to Hong Kong in 2014 and was involved in teaching and mobilization work among Chinese churches for Jewish ministries. Gordon is also responsible to bring short-term teams to Israel a few times per year. During his time in Israel, Gordon finished a M.A. degree (major in Religious Studies) at the Hebrew University of Jerusalem.

The family moved to New York City for ministry in August 2016. Gordon has a heart to reach out to the Jewish people on university campuses and other places, especially the Israeli community. He also has a strong desire to share among the worldwide Chinese churches about God's love for the Jewish people. He can speak in Cantonese, Mandarin and English on various topics.

Gordon is married to Christy Law and they have two children. Their daughter was born in Jerusalem, Israel.

Chosen People Ministries exists to pray for, evangelize and disciple Jewish people everywhere and to help others do the same. Chosen People Ministries serves in 16 countries around the world with headquarters in New York City.
